

# 49<sup>th</sup> ANNUAL SAN CARLOS FALL REGATTA 2019

by Deana Pos and Carol Ray

We all enjoyed a great racing weekend in San Carlos for the Fall Regatta. A total of 12 boats competed in the event in four different fleets. Racing in the warm waters of the northern Sea of Cortez with a single long distant race each day, around the course of small islands and marks.

We had a fun filled weekend and it is always a good time. It was great

meeting up with longtime friends and new racers too. Friday evening we had the Welcome Dock Party and preregistration for the event including the distribution of race packets. Cold beer and lots of stories being told...some true...some almost true.

Saturday morning, we met at Hammerheads to finish registration and held the captains meeting. After coffee and sweet rolls everyone was ready to head for the start line. Racing started with the first flag at 10:45. It was a perfect start for all 12 boats in a good breeze of 10-12 knots. Course 5 was given to the faster PHRF boats and course 6 was given to the slower PHRF boats.

Sunday morning started off with similar conditions and the same courses for all competitors. The wind eased and shifted off later in the day but provided enough

The Sunday evening Awards Banquet was held at Tequila's, down by the marina. Tequila's has been a long time restaurant in San Carlos and it always great to have our awards banquet there. They did a perfect job and the service was excellent. The raffle was also a big success. Thank you to all those that donated for the raffle. We very much appreciate your support. If it wasn't for the club members that donate, the raffle would be a dud. It's fun and helps make the regatta a successful weekend. Thank you. Awards were given to winners of regatta as follows: See race results page for full race results.

Glen Bostedt, first place in PRHF high  
Arthur Lewis, first place in PRHF low  
Kevin Walker, first

place in PRHF spinnaker

Bob Burden, first place cruising

It's a fun weekend, hope some of you will come down, have some fun and race with us.
